Check-In Process

Scan to Check-In

IMPORTANT: If you have not completed the eCheck-in process you will receive a text message with your appointment details and a link that will direct you to MyUHealthChart website.

- After scanning the **Check-In QR Code**, you will be routed to the MyUHealth Chart log in to enter your User ID and Password.

- Within your MyUHealthChart home screen, find your Student Health appointment and check in by selecting **eCheck-In**.

- Complete some basic medical appointment questions. Then, Review and Sign the Student Health-Consent for Treatment.
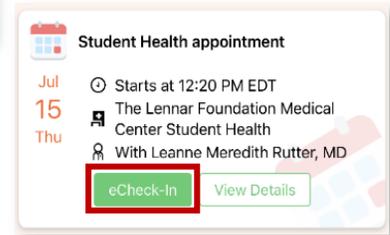

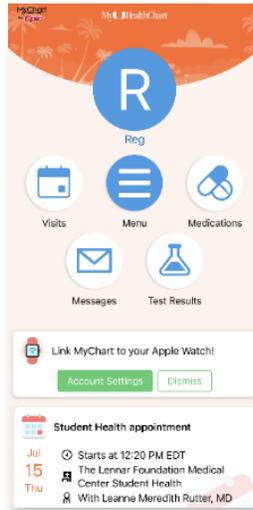

Appointment Arrival

Setup the MyChart Appointment Arrival on your phone to notify the Student Health front desk staff when you've arrived for an appointment.

- Log into the MyChart App on your phone.

- Once you have logged in the MyUHealthChart, you will be prompted to turn on the MyChart Appointment Arrival feature and select **Get Started**.
  If you are not automatically prompted to setup MyChart Appointment Arrival, you can go to your MyUHealthChart Account Settings within the Menu activity.

- In Account Settings, turn on the **Appointment Arrival**.
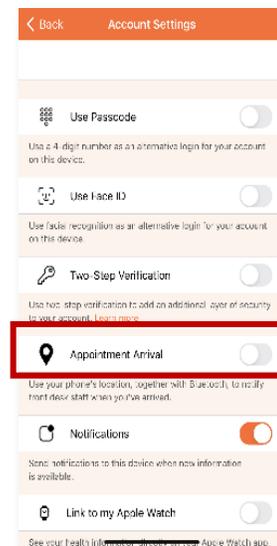

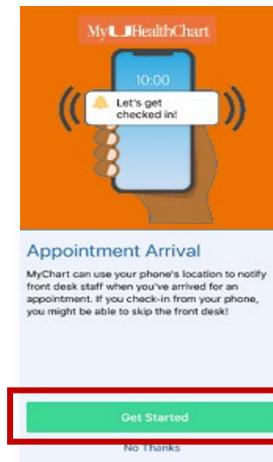

Next, you will be required to turn on your **Bluetooth** and **Location** within your Phone settings.
If you already have both device settings enabled, select **Turn on Appointment Arrival**.

Click Learn More for more details.
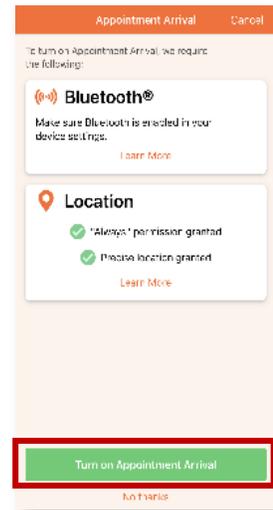

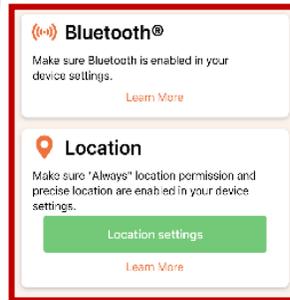

IMPORTANT: Once you arrive to your appointment, you will receive a MyChart notification on your phone. The notification will ask you to log in to your MyChart app and select **I'm here** to advise the front desk staff.
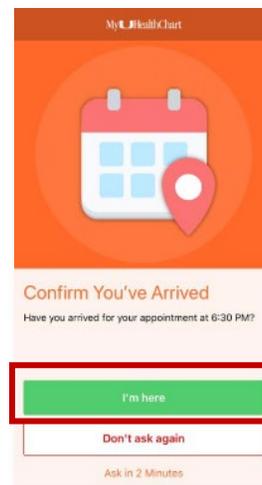

Walk-In Process

Scan to Walk-In

After scanning the **Walk-In QR Code**, you will be routed to the MyUHealthChart log in to enter your User ID and Password.

- Within your MyUHealthChart home screen, schedule an appointment by selecting the **Visits** menu activity.

- At the bottom of the page, select **Schedule an appointment.**

  📅 Schedule an appointment
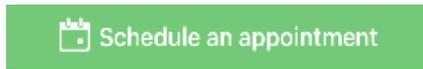

- Select the **Tell us why you're coming in** option of **All Student Health Visits**.

- Complete the visit questions and select the provider that you want to see, then click **Continue**.

- Review the visit availability and select from the **dates and times** options.

- Review the appointment details and confirm the visit by clicking **Schedule**.

  To view your appointment details, go to your MyUHealthChart home screen.
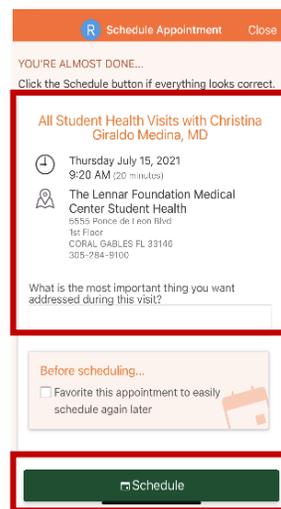

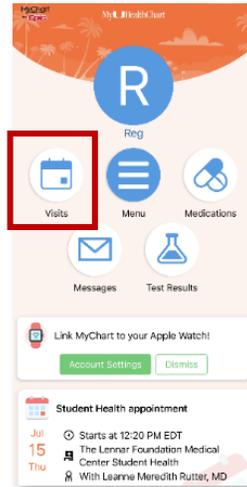

IMPORTANT: After scheduling your walk-in appointment, complete the eCheck-in process. If you did not continue to check-in, you will receive a text message with your appointment details and a link that will direct you to MyUHealthChart website.
